Pope Saint John Paul II described it as “grace directed to sanctify the Church, to renew her taste for prayer and to discover with the Holy Spirit the sense of thankfulness, of joyful praise, of confident intercession and to be converted into a new fountain of Evangelization”.

He was talking about the Life in the Spirit Seminar or LSS. To call it a retreat would be misleading, since its purpose is to enable us to move forward in ministry.

The LSS is a seminar of **renewal, rediscovery & conversion**. Many have found it to be “life-changing”. But each person who takes the time to go through it find unique gifts with direct and immediate and lasting impact on their lives.

The Life in the Spirit Seminar has helped Christians find **a fuller expression and commitment in their spiritual lives**. It is an introduction to a life lived in the **Presence & Power of the Holy Spirit**.

Note: Before the actual weekend, participants are asked to attend an Orientation session (date to be announced) & to work with a Volunteer for “Shepherding” and sharing prior the event.
